

### A Message from Mrs. Anisa and Ms. Sinak

Hello, families! Welcome to Little Epistles' Preschool and our Extended Care Program! We are excited to be able to help and work with you and your children! The Extended Care Program that we provide is for before, during, and after school hours. For instance, our daily schedule operates from 7:30 am to 5:30 pm, Monday thru Friday. Anisa is the Lead Teacher and opens in the mornings, while Sinak is the Co-Teacher, who closes at the end of the day. We offer an educational curriculum in a childcare setting.

We both have three years experience in an educational childcare setting. Anisa earned her Bachelor's Degree in Chemistry and Biology and is currently pursuing a Master's Degree in Education. She also has twenty hours of STARS training. Sinak earned her Bachelor's Degree in Education and is also a Washington State Certified K-8 Elementary School teacher. We are passionate about helping and working with children and hope to bring a loving, diverse, and educational learning experience for your children.

Please provide from home:

- Extra change of clothes (pants, shirt, socks, underwear, etc.) labeled with your child's name on them, diapers, and wipes if needed.
- A packed lunch and we will provide breakfast and nutritious snacks in the morning, afternoon, and late afternoon.
