

Hello Families!

Welcome to our class! I am so excited to meet you all, and hope to see you at our open house on September 8 from 10:00 to 11:00. This is a wonderful opportunity to see our classroom and ask any questions you may have about the upcoming school year.

This will be my fourth year teaching at Little Epistles, and I am so excited for our new program this year! We will be learning together in the areas of Math, Reading, Science, Social Studies, Spanish, and Art. We will utilize circle time, individual and group instruction, as well as many hands on learning activities during our time together. We will also have time each day for large motor play in the gym and outside.

Please send with your child an extra set of clothes we can keep in the classroom in case of accidents. It is easiest to place them in a Ziploc bag clearly labeled with his or her name. We will also need a healthy snack each day, and a lunch if your child will be doing lunch bunch.

Our first day of school will be Monday, September 12. I am looking forward to the start of our year and can't wait to get to know all of you!
