2011-2012

Dear Toddler Parents,

We would like to welcome you and your child to Little Epistles' Preschool. It is our hope to make your child's first school experience an exciting and fun one. During the month of September the 2-year-olds will be learning how to adjust to their new environment and how to socialize with their new classmates. This year you will see a major burst of language development in your child, as well as, improved auditory and large motor skills. We understand, and are aware of, the separation anxiety that both you and your child will be experiencing. You are welcome to stay until you feel that both you and your child are ready to separate. We do suggest that you make your goodbyes brief and convincing, and assure your child that you will be back soon to pick him/her up. Feel free to call throughout the course of the day to see how they have adjusted, we really do not mind.

Since our toddler program is a child's world, we ask that you please dress your child appropriately. Children love to get messy, so please bring:

- **A Change Of Clothing Including Socks**
- **Plenty Of Diapers and Diaper Wipes**

(These items can be kept at school in zip lock bags with your child's name written on it.)

Supply List:

- **1 Box of Kleenex**

We would like to take this opportunity to invite you and your toddler to our **"OPEN HOUSE,"** to be held on **Thursday September 8th, 2011 from 1:00pm to 2:00pm.** The children always seem to enjoy playing in their new classroom and meeting their classmates.

If you have any accounting questions please contact our Accounts Manager Cathy Bradshaw at St. Paul's Academy at: (360)733-1750
