

CALENDAR OF EVENTS / FUNDRAISERS / FESTIVALS

This list represents all known non-fundraising (NFR) and fundraising (FR) events held by PALS, SPA, the Chapel, *Chapel Guild*, and the 8th graders. PALS uses the events to build community and fund many “extras” that our children enjoy—like field trips, playground toys, enriched classrooms, and many more. The money that SPA raises goes into our general operating fund to pay salaries, building expenses, and curriculum needs. Under the direction of our school Chaplain, our Chapel services celebrate the seasons of the Christian calendar and other important holidays. The *Chapel Guild*, funded by PALS, provides, among other services to the students and Chaplain, opportunities for our students to participate in community outreach. The 8th graders go on an annual trip to England and fundraise to earn all the money needed.

We are providing this as an overview so you can find the events that interest you.

MONTH	NFR vs, FR	GROUP	DESCRIPTION
