

† CHAPEL GUILD 2009-10 †

St. Paul's Academy Bellingham

The mission of the Chapel Guild is to serve Christ in others in our school, local and global communities and to enrich the religious life of our school.

The Chapel Guild helps to strengthen and formalize one of the best things about our school - our sense of community and responsibility to our neighbors. It helps to establish and maintain some community service traditions from year to year and it assists the Chaplain in her service to the school.
