

† LOAVES & FISHES

A school outreach program coordinated by the St. Paul's Academy Chapel Guild

Dear Friends and Families,

September 2009

The Chapel Guild of St. Paul's Academy serves to enrich the spiritual life of the students through various activities during the school year (i.e., community outreach and support of the Chapel). We also reach out to our school families by coordinating a meal program that we call "Loaves & Fishes." This ministry helps our school families by providing meals during times of need (e.g., illness, hospitalization, births, hardships). Over the past few years, we have served meals to many of our families in times of sorrow and celebration, by providing 2 to 3 meals a week for periods up to 6 weeks.

For this ministry we rely on volunteers who wish to serve the school community by preparing a meal. We can always use new volunteers for this outreach. If you are interested in participating, *please complete the form below* and return it to the office. If you have participated in the past year (*thank you!*) and wish to continue, no action is needed. Once we have received your response, Marina Dugan, our Loaves & Fishes coordinator, will contact you with the details of the program. As needs change in our school community, you may only be asked to provide a meal once every other month.

If you have any questions about Loaves & Fishes or *if you know of a family who might benefit from Loaves & Fishes* by receiving a few meals, please contact Marina at 360/920-2536 or marina_dugan@comcast.net. If you have questions about Chapel Guild, please contact me at 360/961-3056 or mora.sp@mac.com.

Thank you for your consideration.

In Christ,

† Chapel Guild
