

Saint Paul's Academy

Master Supply List – Grades 6-12

2011/2012

Middle and high school students are responsible for all of their own supplies throughout the school year. This list represents the minimum; you may wish to add other supplies that you think will be helpful to your student. It will be necessary to replenish some of these as the year progresses and at the beginning of each new school year.

General Supplies that all students need for all classes:

- Two Pen/Flash Drives 512K or higher (**this is a must have item**)
 - one for (B) Blue day and one for (W) white day
- One three-ring binder/organizer with 4 subject dividers
 - for (B) Blue day - no bigger than 2"
- One three-ring binder/organizer with 4 subject dividers
 - for (W) White day - no bigger than 2"
- Two reams college ruled notebook paper for binder, as needed
- One pen/pencil holder for inside of binder
- Three packs of erasable ballpoint pens, blue or black
- Three packs of pencils & small pencil sharpener
- Two large erasers, pink or white
- **\$12.00 for student planners**, (give to advisor teacher - price estimate)
- Recommend: 1 Blue Day backpack labeled "blue day" & one White Day backpack labeled "white day". Suitcases are not permitted.

** Students will be issued two lockers with two locks-one in the commons area for books and one in the locker room for PE clothes. Due to limited space in classrooms, backpacks will not be allowed in the rooms and students will have access to their lockers during passing periods. Backpacks should have shoulder straps and may have wheels, though rolling backpacks may prove difficult to manage in the new building.*

Advisor Room Supplies: bring the following to the advisor room

- Three Boxes of Kleenex & 1 Container of Clorox Wipes or Antibacterial Wipes
- Three reams of plain copy paper
- Turn in one each of the above pencil and pen packs to advisor teacher for use throughout the school year
